Homecoming Activities To Start Here Friday

The twenty-second annual Hamlin High School Homecoming will begin Friday with registration downtown and a Fish Fry from 5 to 7 p.m. sponsored by the Ex-Student Association in the high school cafeteria.

Registration headquarters will be at Mar-Jo's Merle Norman and Reynolds Drug. Also, all ex-students and Piper fans are invited to the Pep Rally Friday afternoon at 3 p.m. in the practice gym at the high school.

On the menu at the Fish Fry will be fish, beans, baked potatoes, coffee, tea and dessert. Tickets are \$2.50 for adults and \$1.50 for children. At 7:30 p.m. the Pipers will be playing Paducah in Piper Stadium.

During halftime the high school Homecoming Queen will be crowned and the Exes Homecoming Queen will be presented. The high school nominees are Pamela Absher, daughter of Mr. and Mrs. Charles Absher, Barbara Hooper, daughter of Mr. and Mrs. W. J. Hooper, Elise Kelley, daughter of Mr. and Mrs. Parker Kelley, and DeDe Young, daughter of Mr. and Mrs. Gerald Young.

Following the game the Ex-Students will meet in the cafeteria for a coffee. Mr. and Mrs. John Ferguson Jr. are hosting the event.

Several classes are having their respective reunions following the game. The 1951 reunion will be hosted by Mr. and Mrs. Don Gregory, Mr. and Mrs. James Maberry and Mr. and Mrs. James Brigham.

The class of 1952 is also meeting at the high school, in rooms 9 and 10.

The parade will begin at 10:30 a.m. Saturday at the football stadium. All entries are to be at the stadium at 10 a.m., according to O. H. Weaver, parade chairman.

Mrs. Jim Bonds, chairman of the bicycle entries, asks that all bicycle entries be at the Church of Christ parking lot at 10 a.m.

A special float has been prepared for the Little Pipers. Mrs. John Poe, chairman, invites all children beginning with ages three

years to dress in green and meet at Piper Stadium at 10 a.m. to ride on the float.

The deadline for entering the window decorating contest has been extended, according to Mrs. R. L. Goodgame Jr. All those who wish to enter a window in the contest should contact Mrs. Goodgame. Clubs and individuals are urged to participate.

Following the parade a barbecue will be served at the high school from 11:30 to 1 p.m. The business meeting will begin at 1 p.m. with the

Hamlin High School Stage Band furnishing entertainment.

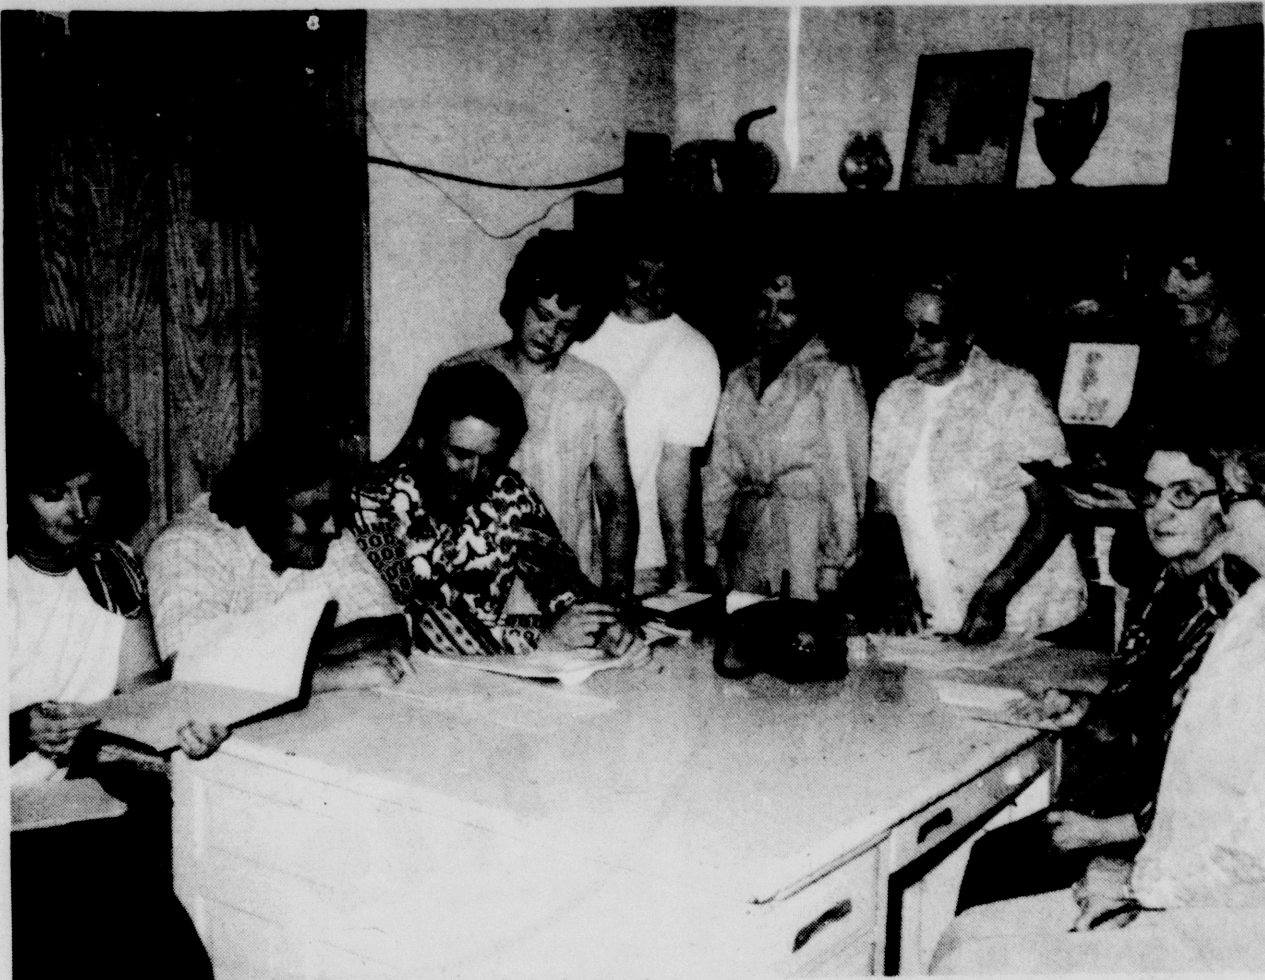

Master of Ceremonies will be Jim McCurdy, newscaster for KRBC-TV in Abilene and associated with Southwestern Life of Abilene.

McCurdy, a former Hamlin student, was with the Class of 1965 before moving to Abilene where he graduated from Cooper High School. He is also a graduate of McMurry College. Two of his brothers, Danny and Bobby McCurdy, are graduates of HHS.

At the general business

meeting, O. H. Weaver Jr., will announce winners of the float entries.

The Hamlin Cemetery Association is extending an invitation to all returning students and teachers to go see the work that has been done to the Hamlin Cemetery in the past several months. Donations have been given to set up a trust to provide perpetual care and cemetery association members and volunteers have spent many hours making the needed improvements at the cemetery.

GOING OVER FINAL DETAILS—Officers of the Hamlin Ex-Students Association, meeting at Mar-Jo's Merle Norman Monday, go over last minute details for the 22nd annual Homecoming which will be held this weekend. From left are Mr. and Mrs. Holman Jones, Sam Mack Hodges, president; Mrs. Hodges, Mrs. Ken Prewit, Mrs. Parker Kelley, Mrs. Phil Smith, Mrs. W. T. Johnson, Mrs. C. R. Reynolds Sr., and Mrs. Robert Fowler.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

The following is another one of those classics to come out of the typewriter of Andrews Publisher James Roberts.

An aide to one of our Washington candidates seeking re-election dropped by our office this week to chat and feel us out on the mood of the voters.

During the course of the conversation, he asked:

"This anti-Washington business is largely non-existent or a myth, isn't it Mr. Roberts?"

"Well, son let me answer your question with a question since evidently you're not exposed to the facts of life in Washington!"

"Suppose you got up this morning, pulled on underwear laundered with detergent forced to contain hardening agents, shave with a three-pronged plug electric razor, pump instead of spray underwear or the hair for fear of blotting out the sun with fluorocarbons in the ozone, and sit on a toilet seat that was decreed in Washington to be u-shaped instead of oval.

You walk outside and climb in a car and go through five minutes of buzzing, burping, and squealing courtesy of Washington, start an engine on unleaded gasoline you didn't want to feed a catalytic converter you also didn't want, roar out on a highway that's not finished because federal funds were shut off, and once the car is moving, it can move only at 55 mph despite a 125 mph highway and a speedometer that reads to a 100 mph.

On the way to town, you light up a cigarette from a pack that contains a warning about being injurious to health—and narrowly miss a motorcycle that is sold without any warning whatsoever. You pass a big truck hauling non-burnable garbage to a site four miles away to comply with federal regulations on sanitary landfills.

You drop the kids off at school where half the school students are given free meals, can't pray on school time, and may be bused across town instead of walked across the street because of more federal regulations, and where the athletic program must be overhauled to accommodate the opposite sex whether they want to participate or not.

On the way from school to town, you pass servicing trucks hauling portable toilets to the wide open fields, pass property that cannot be annexed into the city because it would change the ratio of white to black, and move past blighted areas because the government forbids the use of pesticides to kill the pests.

Pipers to Host Paducah Here Friday Night

It will be homecoming time for the Pipers here Friday night when they host the Paducah Dragons in the third District 7-A game for both teams. The Pipers are 2-0 in district while the Dragons are 1-1.

While the Pipers were defeating the Knox City Greyhounds here last week, 35-0, the Dragons were mauling the Aspermont Hornets, 49-6. It was the first win of the season for the Dragons, while the Pipers are 4-1 for the year.

The Piper coaching staff said this week that the Dragons have a better team than their record would indicate. They pointed out that the Dragons apparently have their offense working now because they have scored 70 points in their last two games. They scored 21 points against Haskell in losing their district opener to the Indians, 35-21.

In other district games last week Crowell and Munday played to a 0-0 tie, and Haskell defeated Rotan 47-8. This week Aspermont will play at Haskell, Crowell at Knox City and Rotan at Munday.

The Dragons operate out of

the Houston Veer with Lee Tippen at quarterback and Weldon Jones and Bryan Walker as the running backs. Tippen, a 153-pound junior, is a good running quarterback and throws the ball well, according to scouting reports.

Jones, a 147-pound junior, carried the ball 13 times against Aspermont last week for 206 yards and returned a punt 70 yards for a score. Walker, a 157-pound senior, is a hard runner and is hard to tackle. He also is a good blocker for his running mate, Jones.

Flanker for the Dragons will be Kim Moore, a 132-pound senior, who is an outstanding receiver with good speed. At split end will be John Vaughn, a 156-pound junior, who also has good speed and is a good receiver. The tight end for the Dragons will be Stewart Burns, 201-pound junior. Others in the line will be Terry Luedtke, 162-pound junior, and David Wright, 157-pound junior, at the tackle positions, Billy Tomison, 135-pound junior, and Maynerd Ferguson, 153-pound junior, at the guard spots, and Nick Ramirez, 182-pound senior, at center.

GROUND BREAKING—Ground breaking ceremonies were held here Thursday for the start of construction on the 14-unit apartment complex to be built on the corner lot of Southwest Ave. A and Fourth Street by the Hamlin Housing Authority. The ceremony followed a pre-construction conference at the city hall. Taking part in the ceremony were, left to right, Leon Bibbs, superintendent for North Construction Co.; Harold Williams, John Howard, Bobby Moore, Gene Prewit, Bill Grussendorf, Farmers Home Administration; Mayor Robert Fowler, Ellis West, and Joe Bill Pearce, architect, Pierce Pace and Associates.

HOMECOMING QUEEN NOMINEES—Hamlin High School seniors nominated for Homecoming Queen are, from left, Barbara Hooper, daughter of Mr. and Mrs. W. J. Hooper; Pam Absher, daughter of Mr. and Mrs. Charles Absher; Elise Kelley, daughter of Mr. and Mrs. Parker Kelley; and DeDe Young, daughter of Mr. and Mrs. Gerald Young. The Queen will be crowned at halftime Friday evening in Piper Stadium.

FIRST REPORT SHOWS 20% OF GOAL—

United Way Campaign Off to Slow Start Here

A report on the Hamlin United Way Campaign released Tuesday indicated that only about 20 per cent of the Advanced Division goal had been reached after the first week of the campaign.

The Advance Division kicked off Monday, Sept. 29, under the direction of Joe Ford and Sammy Ferguson. The second week of the

campaign saw the Business and Farm Divisions begin their campaign here Monday with Luther Haught and Mrs. Robert Fowler heading the Business Division. Larry McCoy and Milburn Wink are in charge of the Farmers Division.

Next week the School and Employee Divisions will start their campaign with Mrs. Luther Haught and Pat Willoughby in charge of the Employee section of the drive and Bob Hawes in charge of the school campaign.

George Bonds, general drive chairman, set the goal for the Advance division at 50 percent of the total \$14,000 goal this year. The goal for business is \$1,400 and \$1,600 has been set for the farmers

group. He pointed out that many of the businesses and farmers would be included in the advance and therefore the farm and business goals appeared low.

Bonds has urged all workers to make their contacts as soon as possible and return their cards to their division chairmen.

The drive is scheduled to end Monday, Oct. 25, with a house to house campaign to contact those not reached in the other drives.

Oak Grove Sets Dinner Saturday

The Brotherhood of the Oak Grove Baptist Church will sponsor a dinner Saturday in the fellowship hall, according to Bill Cork, president. Cork asked for the support of the community at this dinner and said that the tickets are \$2.25 and that serving will begin at 5:30 p.m.

The menu will include fried chicken, green beans, scalloped potatoes, tossed salad, assorted pies, hot rolls, coffee and tea.

THIRD SUNDAY SINGING—The Third Sunday Singing will be at 2 p.m. Sunday at Calvary Baptist Church.

Many good singers are expected and the public is invited to attend, according to Bessie King, secretary.

Ronnie Carpenter Named Minister Of Music Here

Ronnie Carpenter of Marlow, Okla. will begin his ministry here Sunday with First Baptist Church as Minister of Music and Education.

Carpenter, 26, is a graduate of Sam Houston State University, Huntsville, with a major in music education. He also holds a master of religious education degree from Southwestern Baptist Theological Seminary, Fort Worth.

His experience includes ministries in music, education, and youth with Dorcas Wills Church in Trinity, Park Street Church, Greenville, and First Baptist Church, Marlow, Okla.

Carpenter and his wife Elaine have two children, Kimberly, 3 and Stephen, three months.

Mrs. Farmer Has Surgery Tuesday

Mrs. Winston (Kathy) Farmer, who was seriously injured in a lawn mower accident at her home Sept. 27, required additional surgery Tuesday for the amputation of both feet. She was reported doing well after the 11 a.m. surgery.

Her feet were severely injured when caught by the blades of a riding lawn mower.

Mrs. Farmer is a dispatcher for the Hamlin Police Department.

Hastings Home Site for Beta Theta Meeting

Beta Theta Chapter of Beta Sigma Phi met Wednesday afternoon in the home of Mrs. Jimmy Hastings. Co-hostess was Mrs. John Poe.

Mrs. Poe, president, presided over the business. Mrs. Pat Willoughby, social chairman, announced that plans are complete for the trip to the Texas Tech-Texas football game on Oct. 30. Members and their husbands are to meet at 10:30 a.m. on Oct. 30 at the high school to leave by chartered bus for the game. Mrs. Joe Hymer, service chairman, asked for volunteers for several upcoming service projects. Mrs. Poe welcomed transfer members, Mrs. John Richey of Jayton and Mrs. Dan McCoy of Aspermont.

Mrs. Parker Kelley gave the program "In Your Own Time—Art." She showed various forms of art including pottery, enameling, jewelry, pencil drawings, an acrylic painting and a painting in sand and oils.

Members present were Mmes. Rodger Bell, Jim Bonds, Randy Brown, Mike Byerly, Steve Carriker, John Ferguson Jr., Sam Mack Hodges, Johnny Jeffrey, Ken Prewit, Charlie Sellers and O. H. Weaver Jr.

The next meeting will be Nov. 3 in the home of Mrs. Randy Brown. Co-hostess will be Mrs. Hymer.

Classified deadline is 8:30 a.m. Wednesday.

EAGLE EYE NEWS

Compiled by the Journalism Class of McCaulley High School
Geneva Carter, sponsor

McCaulley Jr. High will host the Highland Hornets here tonight. The boys were rained out last Thursday, but have been practicing very hard for the game tonight.

The 1976 Coming Home King and Queen were Mrs. Mignon Jayroe Madden and Mr. L. C. Houghton. Patsy Hamric and Jewell Jeffrey presented them with gifts.

Fonda Jeffrey, a senior and head cheerleader, was chosen football sweetheart this year. The team captains, Clint Wheat, Max Kemp, and James Kemp presented her with roses, a bracelet, and a kiss. The football hero was Earl Williams, a sophomore. Two of the cheerleaders, Fonda Jeffrey and JoNell Coleman, presented him with a plaque.

The 1977 McCaulley Annals will be on sale beginning Oct. 15. The schedule for payment is: Oct. 15-Nov. 15 \$6.00; Nov. 16-Dec. 15 \$7.00; Dec. 17-Feb. 17 \$8.00; and Feb. 18-May 13 \$9.00. A down-payment for half of total may be made. Contact any member of the annual staff or Mrs. Geneva Carter.

Dear Community Members:

Thursday, Oct. 14, 1976, after the McCaulley Junior High football game, there will be an organizational meeting of the McCaulley In-

dependent School District Educational Council. The purpose of this council is to open the lines of communication between the community and the school staff. Membership is open to all residents of the McCaulley School District. You do not have to have children in school to serve on this council. The only requirement is a sincere interest in your school.

Mrs. Hawes Gives B&PW Club Program

The Business and Professional Women's Club met Tuesday at 7 p.m. at Hamlin Restaurant. Mrs. Luther Haught, president, presided. The program was presented by Mrs. Bob Hawes on the Tri-County Education Coop, a special education program.

FROM THE FILES . .

FIFTY YEARS AGO

(October 18, 1926)

For many weeks negotiations have been going on for the purchase of the Hamlin Opera House. The final close out and the change of ownership took place last Friday. The name Hamlin Opera House becomes Palace Theatre, the Texas Theatre Company of Abilene, with John Victor and B. F. Trammell, as the chief stock holders, head this company. This company has picture houses in Haskell, Seymour, Anson, Santa Anna, Spur, Albany, Bangs and Hamlin. H. O. Everts is the local manager for Hamlin and he and his wife are making Hamlin their home.

Oil has been found in the southwestern part of Jones county in paying quantities and oil men and workmen are flocking to that section by the hundreds. Anson, the county seat, is on a boom, and is destined to become a big oil center. The writer back in 1926 remembers Anson when it was a small inland town with only three or four hundred population, whereas now the population is estimated at five thousand and growing by leaps and bounds. Acreage is being leased rapidly in Jones county and this promises to be one of the biggest oil centers in the state.

Wednesday the pretty cotton picking weather was "dampened." Considerable rain fell all day and then Wednesday night two and three quarters inches fell and the whole country is tied up till clear weather returns. More than three inches, this time of the year puts a wonderful amount of moisture in the soil for the winter. And while the weather now is against the cotton, it will insure a deep season for wheat.

TWENTY YEARS AGO

(October 18, 1956)

Consummation of a sale of the Ferguson and Drive-In Theaters was completed over the week-end whereby Carl Benefield of Amarillo and Ed Green of Dallas became the new owners.

The sale was made by Mrs. B. S. Ferguson, who has owned and operated the theaters in Hamlin, with her husband who died several years ago, since 1919.

Named manager of the theater properties is Darwin Barnes, who is moving to Hamlin this weekend. He succeeds Bryant Conner, who has been employed and manager for the Fergusons since 1919. The Barnes have a daughter, Beverly.

Barnes declares that several repairs and improvements will be made in the theater properties within the next several weeks. First test telephone report call made by the recently organized Ground Observer Corps unit in Hamlin was put through to Dallas in just 43 seconds, reports James Josey, supervisor of the unit.

The GOC Hamlin chapter was organized several days ago as part of the national enemy plane reporting and other emergency activities sponsored under supervision of the Civil Defense Organization of the government. Josey was elected supervisor of the chapter, and J. D. Cochran is chief observer.

Hamlin High School's Pied Piper football crew entertained a big homecoming crowd Friday night with a 31 to 0 drubbing of the Colorado City Wolves on the Piper stadium.

Scoring touchdowns for the Pipers were Herbert Lakey, Virgil Wilson, Doug Ford, who scored two times and Jerry Jay.

Attendance of more than 600 at the barbecue last Saturday noon at the school cafeteria climaxed the second annual homecoming of Hamlin High School ex-students. Some 450 exes had been registered in the homecoming festivities of Friday and Saturday in the second annual gathering of former students of the school.

Mrs. Austin Poe was master of ceremonies at the Saturday business meeting.

Jon Adams, chairman of the nominating committee, read the following slate of officers, who were elected by acclamation: Joe Ford, president; J. C. Turner, first vice president; James McGough, second vice president; Mrs. Kenneth Riddle, secretary; Mrs. Tom Brady, assistant secretary; Mrs. R. D. Moore, treasurer; Mrs. J. B. Terrell, assistant treasurer.

Virgil Wilson and Eva Wallace, popular Hamlin High School students were named Pipers of the Week in student voting Friday night after the homecoming Colorado City game.

Wilson is a backfield man on the Piper football squad, and Eva is a cheerleader of the Pep Squad.

TEN YEARS AGO

(October 13, 1966)

The Hamlin High School Homecoming was termed a huge success by members of the Ex-Student Association. There were sell out crowds for the chili supper Friday evening and the barbecue Saturday at noon.

Mrs. Ed Lewis was selected president of the Ex-student Association at the annual business meeting Saturday afternoon. Other officers elected are Mrs. Donald Young, first vice president; C. L. White, second vice president; Mrs. David Wade and Mrs. Charlie Turner, secretaries; Carol Joe Simpson, treasurer; and Mrs. Bill Shira, reporter.

Queens crowned during halftime ceremonies Saturday evening were Mrs. Joe E. Ford, ex-student queen, and Margaret Ann Johnson, high school queen.

James Wright, immediate past president of the ex-student Association, presented the crown to Mrs. Ford, and Robert Moore, president of the Student Council and member of the Pied Piper football squad, crowned Margaret Ann.

Cub Scouts of Den 8 were organized for the current year with the following officers: president, Eddie Offield; vice president, Scott Feagan; secretary, John Hudson; treasurer, Steve McKissack; denner, Jim Johnson; assistant denner, Keith Jackson.

Mrs. Eddie Offield is den mother and assistants are Mrs. John Hudson and Mrs. W. T. Johnson. Chris Perrin is the den chief.

Mrs. Billy Joe Wilson was hostess for the Wednesday afternoon meeting of Beta Theta Chapter of Beta Sigma Phi.

Mrs. Bill Willis was introduced as a transfer member and Mrs. Joe Youngblood and Mrs. Floyd Clifton were named new pledges.

Mrs. Jack Willingham presided. Others present were Mmes. H. D. Stallcup, Fred B. Moore, Jr., David Casey, Earnie Reusch, Leldon Clifton, James Harrison and Guy Weaver.

The Pipers came out on the short end of their battle with Homecoming and Clyde Saturday night as they were swamped, 28-0.

The fumble bug hit the Pipers early and they never could seem to find their offense and it took two periods before they put enough defense together to stop the Clyde passing attack.

Leading ground gainer for the night for the Pipers was Sammy Ferguson.

Alert Piper Defense Shuts Out Knox City Greyhounds

The alert Piper defense and the outstanding playing of Hamlin's Delbert Thompson was too much for the Knox City Greyhounds here Friday night as the Pipers captured their second district win, 35-0.

The Piper defense scored two of the five Hamlin touchdowns on a blocked field goal and a blocked punt. Hamlin's first score came after Thompson blocked a 29-yard field goal attempt and Drew Tomlinson, from his cornerback position, picked up the ball and raced 70 yards for the score. The final Hamlin score came when Paul Reynolds blocked a punt in the end zone with Tomas Gonzalez covering it for the score.

Thompson not only blocked the Greyhound field goal but also intercepted one pass, made tackles all over the field from his linebacker position and was the night's leading rusher with 243 yards in 23 carries. He also scored two touchdowns on runs of 37 and 23 yards.

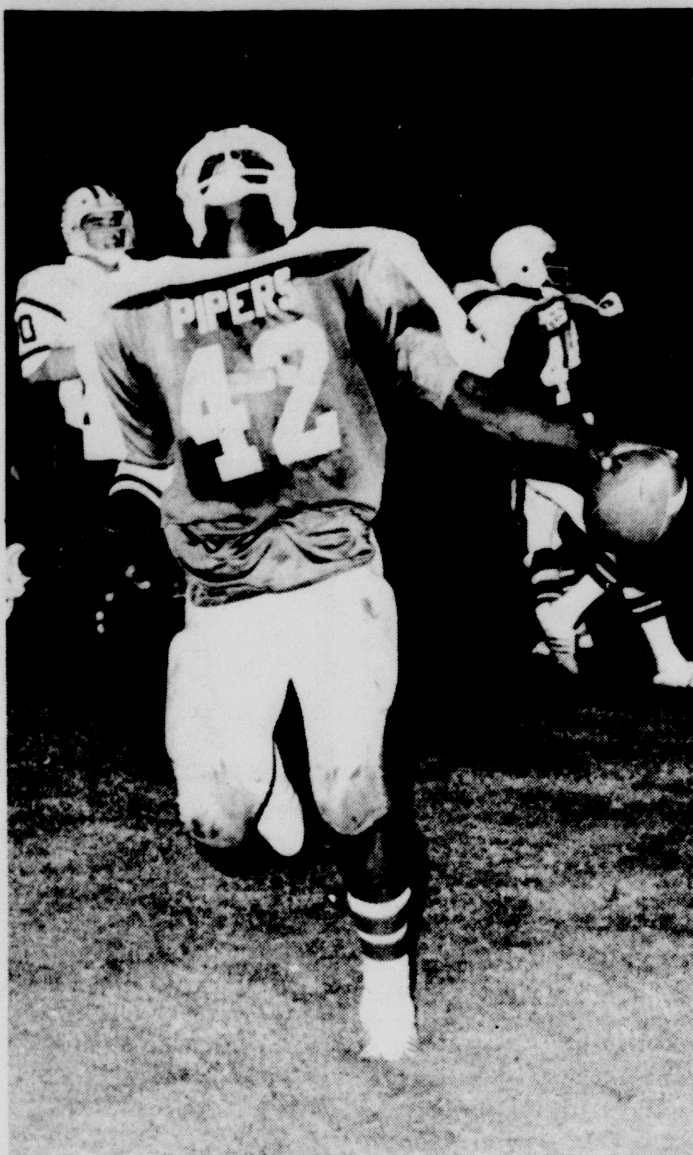

Stanley Jones carried the ball 15 times for the Pipers for 50 yards and Mike Hymer carried four times for 46 yards. Tommy Mangis was the top ball carrier for the Greyhounds who could manage only 39 net yards on the ground. He had 44 yards in 19 carries, but this was wiped out by Quarterback David Anderson's losses. He lost 44 yards in nine attempts.

Thompson ripped off 43 yards on the first play following the opening kickoff to the Knox City 22, but the Pipers failed to take advantage of their field position and gave up the ball back at the 38 when Reynolds was dropped for a 15-yard loss trying to pass.

In three plays, Knox City lost 12 yards and was forced to punt from their own 25. Thompson fumbled on first down at the Hamlin 43 and the Greyhounds mounted their only serious scoring threat of the night. Knox City picked up two first downs to the Hamlin 17 and then moved on down to the nine on Hamlin's end of the field. But on fourth down the Greyhounds attempted a field goal from the 19 with Thompson blocking it and Tomlinson scooping it up and racing 70 yards for the first score. Jones' kick was no good and the Pipers led 6-0 with 6:09 left in the first period.

Following the kickoff, the Greyhounds started on their own three and moved to their own 36 before Thompson picked off Anderson's pass and returned it to the Knox City 37. On first down, Thompson went over right tackle and breaking into the clear, raced 37 yards for the score. Jones kicked the point after and the Pipers led 13-0 with 3:12 left in the first period.

Knox City was forced to

IN FOR A TOUCHDOWN—Delbert Thompson (42) goes in for one of the two touchdowns he scored here Friday night in Piper's 35-0 victory over the Knox City Greyhounds. Thompson was the night's leading ball carrier with 243 yards in 23 tries and has a five game average of 7.2 yards per carry. He has carried the ball 101 times this season for 723 yards and has scored 48 points. (Photo by Tim Jones)

Knox City picked up a first down at the 17 but then had to punt from their own 10 four plays later. Taking over on the visitor's 39, the Pipers drove to the seven before fumbling with Knox City recovering at their eight. Knox City was forced to punt again four plays later from their nine.

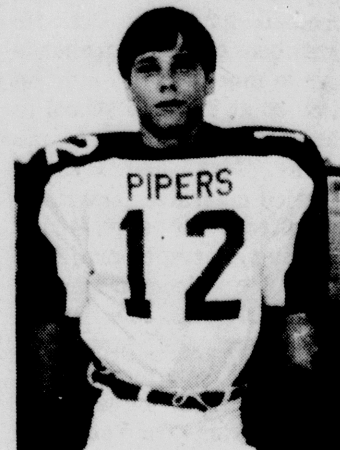

The Pipers failed to gain a first down and Knox City took over again on their 43. Three plays later Tomlinson picked off an Anderson pass and returned it to midfield but the Pipers drew a 15-yard penalty back to their own 32. Knox City intercepted Reynolds' pass three plays later at the Hamlin 42. They

Knox City failed to move the ball and was forced to punt again with Reynolds blocking it in the end zone and Gonzalez recovering it for the final score. Jones kicked the point after with 41 seconds left on the clock. Knox City ran two plays before the game ended.

Board Approves Tax Roll

Meeting in regular session here Monday evening, the Board of Trustees of the Hamlin Independent School District approved the tax roll for 1976-77 and handled several other items of business.

The tax roll officially adopted by the board shows a total value for tax purposes for the district of \$52,120,900. This includes \$25,236,460 for oil, gas, utilities, railroads, etc., and \$26,884,440 for real properties.

Hamlin Has Access to \$75,000 Film Library

A \$75,000 film library with nearly 300 titles is now available to Hamlin through the Harden Memorial Library, according to Mrs. Tommy West, librarian.

"We have access to the film library of Abilene Public Library which serves as the Major Resource Center for this area," she said. "This means our library patrons may check out 16mm sound films free of charge. The films will be mailed here for a pre-arranged show date and then mailed back to the Abilene Library."

The Harden Library has a catalog listing all the films available along with annotations telling what the film is about, the age groups it will appeal to and the length of the film.

To obtain a film, a request is placed with Mrs. West about two to three weeks in advance of the planned show date. She will reserve the film. The film must be returned to the local library immediately after showing in order that it may be returned to the Abilene library in time to fulfill other requests.

The film titles available range from the old time comedies of Laurel and Hardy, Charlie Chaplin and W. C. Fields to films on anthropology, drug abuse and many, many other topics.

Among the more popular children's films are the animated films taken from the books of Dr. Seuss, including "The Cat in the Hat," "Green Eggs and Ham," and others. Another recent popular acquisition for children and adults alike is the Marlo Thomas film "Free To Be You and Me" which was originally a television production.

In addition, there are films which would be appropriate for patriotic programs.

"Obviously, we cannot discuss all the titles here, so anyone interested is invited to come by the library and check the film catalog." There are some that can be used on Super 8 projectors, she said. "I'm sure you'll find many titles which your club, students or family would enjoy seeing," she added.

J. C. Moss, president, presided and recognized Mr. and Mrs. Doyle Condra, state director, and J. D. Jordan, area fieldman, as visitors. Jan Bush of Hawley and Tracy Gregory of Hamlin gave a brief report on their recent trip to the Citizenship Seminar. They urged everyone present to exercise their right to vote.

Larry Sloan of Noodle was elected president for the coming year. New directors elected for four year terms were: Johnie Devaney, Darrell Richards, Herman Reeves and Joe Howle. Jack Cox was elected to fill the unexpired term of Sloan. Holdover directors are P. M. Phifer, Troy Vinson, W. N. West, Jerry Neuman, Mac Reid, Tony Jones and Ab Hunter Jr.

King, who was named Man of the Year, has been active in the Jones County Farm Bureau and has served as secretary-treasurer since 1958.

Gift certificates of \$30 were won by Mrs. Claude Moss, Mrs. Jean Burnett, Mrs. Dale King and Alfred Barker. Each family received a towel in appreciation of their attendance.

On the basis of a total tax rate of \$1.33,99 cents for maintenance and operation and 34 cents for interest and sinking fund, the tax receipts for the district are estimated at \$693,218.93.

In other action the board appointed Larry McCoy and Holman Jones to the Agricultural Advisory Committee for three year terms.

They voted to install curb

and gutter on the north side of the new middle school. The 300 foot curb and gutter will cost the district \$1,275 and will be paid for with delinquent tax monies collected this year.

The board also accepted the resignation of Gloria Brown as Title 1 teacher-aide and employed Mrs. Margaret Lujan for that position.

Superintendent Bob Hawes told the board that athletic receipts were ahead of last year at this time.

Supt. Hawes and Board Member James Rodgers gave a brief report to the board on the Texas Association of School Boards and Texas Association of School Administrators annual meeting they attended in September in San Antonio.

Example:
Why you pay only 8½¢ more for gas when we have to pay 10¢ more.

The dime is simply a nice, round figure to use in discussing gas cost adjustments - a subject that you and we talk about with no happiness on either side.

The 8½¢ is 85% of 10¢. And we're allowed to charge you only 85% of any increase in the price we have to pay for natural gas over the base price set by the Texas Railroad Commission.*

Temporarily, the other 1½¢ (or 15%) is coming out of Lone Star's pocket. We say temporarily for good reasons.

The losses have been staggering... in just one year, ending July 1, 1976, they have increased to \$13,500,000!

The other side of the coin.

These unrecovered gas costs are actually threatening our ability to provide the long-range, reliable service you expect.

Highly competitive bidding on new gas reserves by many companies keeps raising the price of gas. Our option is to pay the higher prices or not replace the gas you use each year.

For example, because of our seriously declining profits, we sold much more gas in 1974 and 1975 than we added. We are still eating into our gas reserves.

Our unrecovered gas costs must be recovered if we are to compete successfully for new gas supplies, meet our steadily increasing operating costs, and provide you a secure energy future when our existing gas reserves have been depleted.

Ask any merchant. If he can't afford to replace the merchandise he sells, he can't expect to stay in business.

(Compiled each week by the HHS Journalism Class)

The Hamlin High Journalism class published their first issue of "Pipers' Pride" last Wednesday.

Sponsor Jerry Gooch hopes the two classes, which consist of 40 students, will be able to publish an issue at least once a month.

The girls' volleyball game with Colorado City, that was scheduled for Monday evening, has been postponed until this afternoon (Thursday) in Hamlin Gym.

Report cards for the first six weeks were given out at high school last Thursday.

In last Friday's pep rally Delbert Thompson was awarded the spirit brick for showing the most enthusiasm during the week's workouts. Coach Jimmy Lisle gave

the pep speech to the student body and guests to fuel school spirit.

The seniors won the spirit stick in the competition yell.

The Hamlin junior varsity was defeated 14-8 by the Anson JV's Saturday morning in Tiger Stadium.

Nazarene Homecoming Revival Now Underway

A Homecoming Revival at the Church of the Nazarene will be held Oct. 12-17 led by Ex-student Dennis Johnson of Overland Park, Kans.

The Rev. Johnson is pastor of Overland Park Church of the Nazarene. He is a 1956 graduate of Hamlin High School and son of Mr. and Mrs. M. S. Johnson.

Services will be held each evening at 7 p. m. except Friday when the service will be at 5:30 p. m. Sunday services are at 10:45 a. m. and 6 p. m. The Rev. Johnson will also be presenting special music.

The pastor, the Rev. Marshall Stewart, said "The entire community has a special invitation to attend any or all of this revival. It is a special treat to have one of our ex-students who has had outstanding success in his ministry to return as our evangelist for this revival."

After graduation from high school here, Johnson graduated from Texas Tech University in Lubbock with a BS degree in Economics in 1960. He was employed for two and one-half years with Proctor and Gamble Distributing Company in Lubbock and entered the Nazarene Seminary in Kansas City in 1962. After graduation he ac-

cepted the pastorate of the Nazarene church in Los Banos, Calif., and served there 17 months prior to a five-year ministry in Denair, Calif.

In 1972 he went to Sacramento Trinity church where he served for three years before accepting his present pastorate the first of this year.

He and his wife have two sons, Dwayne, 16, and Paul, 13.

11 FFA Students Get Green Hand Degrees Monday

Eleven students enrolled in their first year of vocational agriculture were initiated as Green Hands in the Hamlin Future Farmers of America Chapter Monday night.

The Green Hand is the first degree of active membership in the FFA. New Green Hands are Greg Allen, Neal Baker, Sherman Bates, James Beasley, Gayla Bockman, Russell Crowley, John Gardner, Ricky Lawlis, Carl Pylon, Sharla Turner and Jamie Woods.

Requirements for this degree are: 1. Be enrolled in a vocational education course for an agricultural occupation and have satisfactory and acceptable plans for a program of supervised farming and/or other agricultural occupational experience; 2. Learn and explain the FFA Creed, Motto, and Salute; 3. Describe the FFA emblem, colors, and symbols; 4. Explain the proper use of the FFA jacket and blazer; 5. Have satisfactory knowledge of the history of the organization; 6. Know the duties and responsibilities of FFA members; 7. Personally own or have access to Official FFA Manual; and 8. Submit written application for the Degree for chapter records.

The 11 were presented the bronze emblem pin, symbolic of the Green Hand Degree, by chapter advisor Milburn Wink.

George Comegys Completes 40 Years With Exxon

George W. Comegys, Field Gauger in the Western Division of Exxon Pipeline Company here recently completed 40 years of service with the company.

Employees of the Western Division honored Comegys and his family at a luncheon on this occasion in Abilene. Roy R. Die, vice president of operations for the company from Houston, presented 40-year service awards to Comegys.

A native of Merkel, Comegys joined the Company in 1936 as a Pipeliner at Hawley Station. He has filled a number of operating assignments to include pipeliner, oiler, and engineer, and was named to his present position in 1963. He has worked at company facilities located at Truscott Station, May Station, Runnel County (Winters), and Crane.

A veteran of World War II, Comegys served in the United States Navy. He is a member of the First United Methodist Church of Hamlin.

He is married to the former Thelma Leach of Merkel.

Neinda Philosopher Thinks He Has Figured Out The Way to End Threat of Atomic War

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One tackles a big problem this week, sort of.

Dear editor:

It looks like man can perfect nearly everything except himself.

As I understand it, Xerox has perfected a color copier. It's an amazing machine. For example you could feed say a reserved seat football ticket into it and an exact duplicate will emerge, so natural no ticket taker in the rush at the stadium gate can tell it from the original. Scalpers are going to go wild over it, and you can see what sort of mob riot is going to take place when 50 people turn up each holding a ticket to just one seat on the 50-yard line. Be worse than an average day in Beirut.

What's worse than this is the report that scientists are about to perfect a laser beam so powerful it can reach out and vaporize an in-coming ballistic missile. When the beam hits, the missile simply goes to pieces and evaporates. By building a shield of laser beams around itself, a country could be safe from the horrible doom of an atomic attack.

This brings up another problem. As I understand it, there are enough atomic and hydrogen bombs on hand in the world that, if they were all fired at the same time, they'd have enough force to kill everybody on earth ten times over. You can see not even cats could come out of that alive. It'd be an impractical way to solve the pet cat and dog problem in big cities.

But, if the laser beam

shield can protect a country, and every country gets one, and the atomic war problem thus is over, the world then would have the problem of what to do with all those guided missiles stockpiled underground in silos, being carried under water on submarines and toted around the skies in airplanes, each one aimed at the other fellow.

The only solution I can come up with is a world-wide garage sale of atomic weapons. Surely there ought to be some countries interested in them for internal use only.

This won't really solve the problem, but you've got to remember that in foreign affairs problems are never solved, they're just shifted around. It's sort of like a Presidential debate.

Yours faithfully,
J.A.

John Scarborough Named Carter Campaign Head

AUSTIN— Jimmy Carter campaign leadership posts in Jones County were announced this week through the Democratic nominee's State headquarters.

Bill Longley, John Scarborough and Mayor Herman Reeves were named to co-chair the Carter presidential effort, according to Chuck Parrish, Texas Carter Coordinator.

Bob Armstrong, State Land Commissioner and Calvin Guest, Texas Democratic Party Chairman, co-chair the Carter-Mondale Campaign at the state level.

Langley, County Democratic Chairman, is in the grocery business and resides in Stamford.

Scarborough is a farmer and resides in Hamlin.

Mayor Reeves is a farmer and resides in Anson.

Lloyd Blackwell Transfers to PCA Office In Stamford

Lloyd M. Blackwell, manager of the Matador office of the Rolling Plains Production Credit Association, is being transferred to Stamford effective Nov. 1.

Blackwell has been employed by the Association since September, 1970. He served as loan representative in the Childress office until May, 1975, when he transferred to the Matador office and served as manager of that office. He is a graduate of Stamford High School and Texas Tech and is the son of J. M. Blackwell of Stamford.

Jimmy Burleson, loan representative in the Stamford office since June, 1974, has resigned effective Oct. 15. He has accepted a job with the Hasper Production Credit Association in East Texas.
